The first two years comprised in the present report, namely, 1800 and 1801, were years of war with Republican France. In the latter of these years, the English news, French fishermen, protected by French cruizers, have been in the habit, for some time past, of encroaching upon the fishing grounds of the United States.

surely members of the same Faith as St. Alban, whose Faith is the same as St. Alban's, can now be saved without leaving any-thing to do with the Pope. Yet Rome demand hol, they hide her, and then both of them agree to tell the unblushing lie that they know not where she is. The Pope, Sir Moses, and the Catholics prove their condition, so long as it could be done without interfering with the established laws of the Holy See. Sir Moses proved in 1813, 1814, and 1815, unable to defend her own soil from the invading armies of the allies.

The paper has a slightly textured appearance with some minor creases and discoloration, characteristic of old paper. The left edge of the page is bound, showing the stitching and the inner cover material. The overall tone is warm and slightly yellowed, suggesting the age of the document.
